

## NCEES Engineering Education Award

Connecting Professional Practice and Education

A competition that brings together licensed professional engineers and students can teach real-world lessons about professional practice and help students discover what the engineering profession is really all about.

And it's got something else to offer—national recognition for your engineering program.

NCEES wants to reward the country's best collaborative entries. EAC/ABET-accredited programs from all engineering disciplines are invited to compete for

**Grand Prize: \$25,000**  
**5 Awards: \$7,500 each**
