### **Gavlin begins term as NCEES Central Zone vice president**

Nancy Gavlin, P.E., S.E., director of education for the American Institute of Steel Construction, recently received her commission as NCEES Central Zone vice president at the 89th NCEES Annual Meeting, held August 18–21 in Denver. She was elected to the position by delegates from the Central Zone during their interim meeting in May 2010. As vice president, Gavlin will serve on the NCEES Board of Directors and as the zone’s administrative officer through 2012.

A licensed structural engineer in Chicago, Gavlin has been a member of the Illinois Structural Engineering Board since 1996. She has previously served as board vice chair and as NCEES Central Zone assistant vice president. Gavlin holds a bachelor’s degree in civil engineering from the University of Illinois at Urbana-Champaign and a master’s degree in structural engineering from the University of California at Berkeley.

#### **ABOUT NCEES**

*NCEES is a national nonprofit organization composed of engineering and surveying licensing boards representing all U.S. states, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands. An accredited standards developer with the American National Standards Institute, NCEES develops, scores, and administers the examinations used for engineering and surveying licensure throughout the United States. NCEES also provides services facilitating professional mobility for licensed engineers and surveyors. Its headquarters is located in Clemson, S.C.*
