NCEES recognizes long-standing service

NCEES recently honored seven individuals for their dedicated service to the organization and the engineering and surveying professions. The 2022 NCEES service award winners are

- Govind Nadkarni, P.E., emeritus member of the Texas Board of Professional Engineers and Land Surveyors, who received the Distinguished Service Award with Special Commendation
- Bruce Pitts, P.L.S., emeritus member of the Oklahoma State Board of Licensure for Professional Engineers and Land Surveyors, who received the Distinguished Service Award with Special Commendation
- Mandy Holway, P.E., member of the Maine State Board of Licensure for Professional Engineers, who received the Distinguished Service Award
- John Mettee III, P.L.S., member of the Maryland State Board for Professional Land Surveyors, who received the Distinguished Service Award
- Grant Crawford, Ph.D., P.E., F.ASEE, of Connecticut, who received the Distinguished Examination Service Award
- Garth Thomas Jr., P.E., member of the West Virginia State Board of Registration for Professional Engineers, who received the Distinguished Examination Service Award
- Brenda Tuley, P.E., of Texas, who received the Distinguished Examination Service Award

The winners were honored at the NCEES annual meeting, held August 23–26, 2022, in Carlsbad, California.

ABOUT NCEES

The National Council of Examiners for Engineering and Surveying is a nonprofit organization made up of engineering and surveying licensing boards from all U.S. states, the District of Columbia, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Since its founding in 1920, NCEES has been committed to advancing licensure for engineers and surveyors in order to safeguard the health, safety, and welfare of the U.S. public.

NCEES helps its member licensing boards carry out their duties to regulate the professions of engineering and surveying. It develops bestpractice models for state licensure laws and regulations and promotes uniformity among the states. It develops and administers the exams used for engineering and surveying licensure throughout the country. It also provides services to help licensed engineers and surveyors practice their professions in other U.S. states and territories. For more information, please visit ncees.org.
