## NCEES honors Wyoming professional surveyor Jeffrey Jones for service

Jeffrey B. Jones, P.L.S., of Cheyenne, Wyoming, has been awarded the NCEES Distinguished Service Award for his dedicated service to NCEES and the surveying profession. Jones was recognized during the organization's 102nd annual meeting in Boston, Massachusetts, on August 17, 2023.

Jones first began serving NCEES as a subject-matter expert to the Principles and Practice of Surveying Committee in 1992. His past service includes chairing the Committee on Examination Policy and Procedures from 2019 to 2021 and serving as a member of the Committee on Examinations for Professional Surveyors. He currently serves as a member of the Advisory Committee on Council Activities.

Since 2013, Jones has served as a member of the Wyoming Board of Professional Engineers and Professional Land Surveyors. He currently serves as the vice chair and also chairs several board committees.

Jones also serves as a member of the National Society of Professional Surveyors. He represented the state of Wyoming as a member of the National Society of Professional Surveyors with the Board of Governors from 2002 to 2005. He then went on to serve on the board of directors from 2006 to 2011. He was elected as an ACSM/NSPS Fellow in 2010.

## ABOUT NCEES

*The National Council of Examiners for Engineering and Surveying is a nonprofit organization made up of engineering and surveying licensing boards from all U.S. states, the District of Columbia, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Since its founding in 1920, NCEES has been committed to advancing licensure for engineers and surveyors in order to safeguard the health, safety, and welfare of the U.S. public.*

*NCEES helps its member licensing boards carry out their duties to regulate the professions of engineering and surveying. It develops best-practice models for state licensure laws and regulations and promotes uniformity among the states. It develops and administers the exams used for engineering and surveying licensure throughout the country. It also provides services to help licensed engineers and surveyors practice their professions in other U.S. states and territories. For more information, please visit [ncees.org](http://ncees.org).*
