## Blaisdell begins term as NCEES Western Zone vice president

Aaron Blaisdell, P.L.S., recently received his commission as NCEES Western Zone vice president at the conclusion of the organization's annual meeting, held August 14–17 in Chicago, Illinois. As vice president, Blaisdell will serve on the NCEES board of directors and as the zone's administrative officer through 2027.

A resident of Kirkland, Washington, Blaisdell has served as a member of the Washington State Board of Registration for Professional Engineers and Land Surveyors since 2015.

He served as a member of the NCEES Public Outreach Task Force in 2018–19. He also served as a member of the NCEES Committee on Examinations for Professional Surveyors in 2019–23 and as a member of the Committee on Examination Policy and Procedures in 2023–24. He is currently a member of the NCEES Public Land Survey System exam development committee.

## ABOUT NCEES

*The National Council of Examiners for Engineering and Surveying is a nonprofit organization made up of engineering and surveying licensing boards from all U.S. states, the District of Columbia, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Since its founding in 1920, NCEES has been committed to advancing licensure for engineers and surveyors in order to safeguard the health, safety, and welfare of the U.S. public.*

*NCEES helps its member licensing boards carry out their duties to regulate the professions of engineering and surveying. It develops best-practice models for state licensure laws and regulations and promotes uniformity among the states. It develops and administers the exams used for engineering and surveying licensure throughout the country. It also provides services to help licensed engineers and surveyors practice their professions in other U.S. states and territories. For more information, please visit [ncees.org](http://ncees.org).*
