## NCEES recognizes long-standing service

NCEES recently honored several individuals for their dedicated service to the organization and the engineering and surveying professions. The 2018 NCEES service award winners are:

- Roy Entz, P.E., P.L.S., emeritus member of the Oklahoma State Board of Licensure for Professional Engineers and Land Surveyors, who received the Distinguished Examination Service Award
- Edwin Huston, P.E., S.E., of Washington, who received the Distinguished Examination Service Award
- Dennis Truax, Ph.D., P.E., member of the Mississippi Board of Licensure for Professional Engineers and Surveyors, who received the Distinguished Service Award
- Bill Dickerson, P.E., emeritus member of the Oklahoma State Board of Licensure for Professional Engineers and Land Surveyors, who received the President's Award
- Jerry Carter, NCEES chief executive officer, who received the President's Award

The winners were honored at the NCEES annual meeting, held August 15–18, 2018, in Scottsdale, Arizona.

## ABOUT NCEES

*The National Council of Examiners for Engineering and Surveying is a nonprofit organization made up of engineering and surveying licensing boards from all U.S. states, the District of Columbia, Guam, Puerto Rico, Northern Mariana Islands, and the U.S. Virgin Islands. Since its founding in 1920, NCEES has been committed to advancing licensure for engineers and surveyors in order to safeguard the health, safety, and welfare of the U.S. public.*

*NCEES helps its member licensing boards carry out their duties to regulate the professions of engineering and surveying. It develops best-practice models for state licensure laws and regulations and promotes uniformity among the states. It develops and administers the exams used for engineering and surveying licensure throughout the country. It also provides services to help licensed engineers and surveyors practice their professions in other U.S. states and territories.
