## Sievers elected NCEES president-elect

Delegates elected Laura Sievers, P.E., to serve as the NCEES president-elect at the conclusion of the organization's annual meeting, held August 23–26 in Carlsbad, California. She will serve as president-elect for the 2022–23 term and as president the following year.

A resident of LeMars, Iowa, Sievers has served as a member of the Iowa Engineering and Land Surveying Examining Board since 2016. She served as chair of the NCEES Committee on Examinations for Professional Engineers in 2021–22 and as chair of the Committee on Examination Audits in 2017–19.

Sievers is a transportation engineer specialist for the Iowa Department of Transportation's District 3 office in Sioux City. Before this position, she served as the Lyon County engineer in 2013–20. Sievers is a member of the Pavement Preservation Committee. She has a bachelor's degree in civil engineering from the University of Iowa.

## ABOUT NCEES

*The National Council of Examiners for Engineering and Surveying is a nonprofit organization made up of engineering and surveying licensing boards from all U.S. states, the District of Columbia, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Since its founding in 1920, NCEES has been committed to advancing licensure for engineers and surveyors in order to safeguard the health, safety, and welfare of the U.S. public.*

*NCEES helps its member licensing boards carry out their duties to regulate the professions of engineering and surveying. It develops best-practice models for state licensure laws and regulations and promotes uniformity among the states. It develops and administers the exams used for engineering and surveying licensure throughout the country. It also provides services to help licensed engineers and surveyors practice their professions in other U.S. states and territories. For more information, please visit [ncees.org](http://ncees.org).*
